

[CHALLENGE]

The US Department of the Army was in need of replacing old Mobile Offices. A nice appearance to blend with the current base environment along with up to date building codes for the new mobile buildings was the requirement.

[SOLUTION]

Modular Genius provided a (1) 576 sq ft modular classroom, and (2) 400 sq ft mobile offices. These mobile offices were installed with prefabricated aluminum steps, ramps and canopies. The project was completed in 60 days from notice to proceed.
